TRUE VALUE OF OWNERSHIP

With Jayco, you get more amenities, more liveable, home-like features and superior construction for better durability and greater resale value. **Simply put, you won't find another RV packed with more TRUE VALUE — from the time of purchase to the time you sell.**

- + 2-year warranty
- + more standard features
- + more brand-name components
- + less maintenance
- + better resale value

True Value of Jayco Ownership

Learn more about Jayco's True Value by finding the blue arrows  throughout this brochure.

AMERICA'S MOST LIVEABLE RVS.

WARRANTY

WE BACK OUR PRODUCTS FOR 2 YEARS. ASK OUR COMPETITION WHY THEY DON'T.

You want your RV to last a long time. And nobody backs their RVs better than we do. Our exclusive two-year Co-Pilot Warranty is the best in the business and provides assurance that you'll enjoy your purchase for many years.

CERTIFIED GREEN

All Jayco products are green certified by TRA Certification Inc., an independent, third-party certification agency. Pinnacle earned gold certification through the use of sustainable materials, environmentally-friendly production methods, energy-efficient components and reduction of waste.

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability.

↑ LIVEABLE FEATURES AND AMENITIES

Every Jayco comes packed with features and amenities designed to make your life easier and family time more enjoyable.

AMPLE STORAGE

The Stor-Galore basement storage with drop-frame design protects your belongings.

GOODYEAR TIRES

With Goodyear tires and aluminum rims (Customer Value Package) you'll be in control.

POLAR BARRIER

Enjoy superior thermal performance and greater energy savings with Polar Barrier insulation.

BRILLIANT LIGHTING

Energy efficient pendant lights in the kitchen supply attractive task lighting.

ELECTRIC JACKS

Electric stabilizer jacks make leveling your Pinnacle a breeze.

SLEEK, AERODYNAMIC DESIGN

Pinnacle's aerodynamic front and rear caps make towing easier, improving your fuel efficiency.

DIVINE DETAILS

Pinnacle is the perfect combination of beauty and liveability—starting from the floor up with decorative kitchen base cabinet accent panels, cabinet toe kicks and rope accent lighting.

MEDIA CENTER

The outdoor media center in the basement is complete with RCA jacks and a TV in-and-out bracket.

UTILITY CENTER

A heated and enclosed Uni-dock utility center gives you access to all of your utility controls.

EXPANSI-VIEW

Get great views of the great outdoors through the dining area's Expansi-View floor-to-ceiling windows.

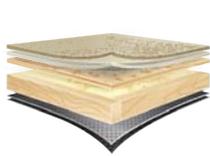

JAYCO CONSTRUCTION

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products reliable resale value and our owners peace of mind.

INSIDE ENGINEERING

Much of what gives a Jayco its reputation for durability and strength is inside the walls and under the chassis. Pinnacle features 1 Euro-style aerodynamic front and rear caps, 2 electric stabilizer jacks, 3 Goodyear tires on aluminum rims, 4 high-gloss gel-coated sidewalls, entry door and baggage doors, 5 an enclosed, heated underbelly, 6 MOR/ryde CRE 3000 rubberized suspension and 7 a Carefree Travel'r electric awning with patio light convenience outlet.

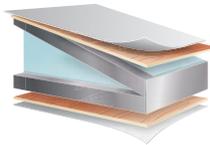

FLOOR (R-24)

A 5/8" tongue-and-groove plywood deck on 2" x 3" wooden floor joists, together with fiberglass and foil insulation (R-24) and a Poly Flex covering, creates one of the strongest foundations in the industry.

WALLS (R-8)

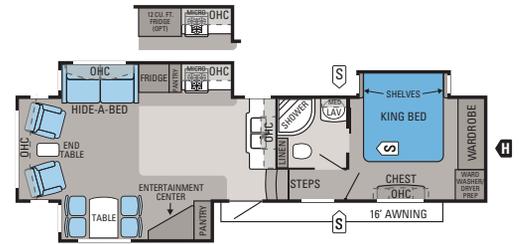

TuffShell vacuum-bonded lamination combines welded aluminum frames, metal backers, decorative interior wall panels and fiberglass exterior siding, creating a durable structure designed to withstand use and travel.

ROOF (R-21)

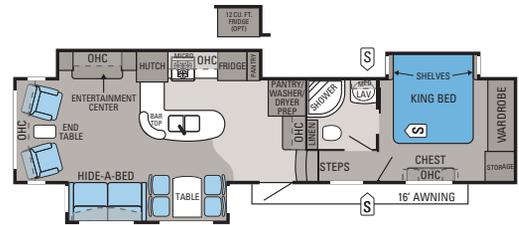

The laminated, vacuum-bonded roof is topped off with 1/4" plywood decking on 5" arched aluminum trusses with bead-foam insulation (R-21) and a seamless rubber shield that protects against moisture and resists aging.

AMERICA'S MOST **LIVEABLE** RVs.

INDUSTRY-LEADING WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

OVER 300 LOCAL DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1-YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
